

Diversity & Inclusion

To deliver the Games that everyone will truly enjoy

In planning and preparing for the 2020 Games, The Tokyo Organising Committee of the Olympic and Paralympic Games regard diversity and inclusion (D&I) as the driver for the success of the Games.

We believe that respecting and harnessing diverse values and capabilities will generate innovation and new values that will enable us to deliver the memorable Games that everyone will truly enjoy.

Our goal is to see Japanese society embrace D&I as a legacy after the Games by having everyone apply the D&I awareness they gained through the Tokyo 2020 Games continuously in new fields.
