

# ごみ分別推進メッセージ

## Our message for sorting garbage

Sort your garbage the Japanese way with *bunbetsu*!

Sorting garbage by type is very important in Japan.

In Japanese this is called *bunbetsu*.

It helps us make the most of our resources and take care of our environment.

Let's sort our garbage by type as shown on the signs below.

***Today's waste is tomorrow's resource!***

今日の分別、明日の資源  
分けてくれてありがとう
